URGENT: SEVIS record termination notification

**Description**

Hello Xiangyun,

I am writing to inform you that we unfortunately learned during our daily check of SEVIS records that your SEVIS record was "terminated" by a Department of Homeland Security (DHS) official. The reason noted was "OTHERWISE FAILING TO MAINTAIN STATUS - Individual identified in criminal records check and/or has had their VISA revoked. SEVIS record has been terminated."

We do not have any additional information about this termination, but this means you no longer hold valid F-1 status within the United States. You will need to cease any employment immediately. Since this termination does not carry a grace period, we must recommend you make plans to exit the United States immediately.

We strongly recommend you speak with your academic program to see if there are options that would allow you to continue your program remotely.

Should you wish to investigate options to remain in the U.S., you may consult with an immigration attorney who has experience with status violations and removal proceedings. The American Immigration Lawyers Association has an online resource that may be useful at <https://ailalawyer.com/>.

Unfortunately, neither the International Center nor the University of Michigan has the authority to reverse this termination. We understand this news is unsettling and stressful. We would like to speak with you and think it will be helpful as you navigate this news. **Please respond to this email and I will schedule a time to meet with you.**

Sincerely,

Elizabeth Wiseman
